# ABOUT OFBA

Ozark Foundation Breeder's Association (OFBA) was founded in 1999 by a group of family and friends with a passion for the American Quarter Horse. Since that time, breeders have come and gone but our association is still comprised of a tight nit group of breeders that are serious about producing nothing but the finest in top quality performance quarter horses. Today, OFBA presents one of the best and well known annual production horse sales in the Mid-West.

This year marks our 15th annual sale and the horses in this years sale are our best yet and are evidence of our goal which is to produce horses of quality that exhibit nice dispositions, good conformation, and athletic ability.

Whether you are searching for a horse for the show pen, rodeo arena, ranch, or trail; take a look at our 2015 offerings and we are certain that you can find a performance quarter horse to meet your equine needs.

FOURBLE SOCKS

A Shining Spark, that is how I would describe this young stallion. A spark in his walk, that is what you will notice about him. There is just something about Shining Dynamite that gets your attention. If that is not enough, look at what Commander Freckles and Mr Baron Red add to this picture perfect stallion.
