ABOUT OFBA

Ozark Foundation Breeder's Association (OFBA) was founded in 1999 by a group of family and friends with a passion for the American Quarter Horse. Since that time, breeders have come and gone but our association is still comprised of a tight knit group of breeders that are serious about producing nothing but the finest in top quality performance quarter horses. Today, OFBA presents one of the best and well known annual production horse sales in the Mid-West.

This year marks our 19th annual sale and the horses in this years sale are our best yet and are evidence of our goal which is to produce horses of quality that exhibit nice dispositions, good conformation, and athletic ability.

Whether you are searching for a horse for the show pen, rodeo arena, ranch, or trail; take a look at our 2019 offerings and we are certain that you can find a performance quarter horse to meet your equine needs.

This might be the most power packed filly we have ever raised. She is a pretty, loud buckskin with a ton of eye appeal. She is foundation bred on the top side and double bred PEPPY SAN BADGER on the bottom side. Her mother is a granddaughter of the great Rooster, the stud that put the Polo Ranch on the leading breeders' list. SWEET GALLO OAK stood at the Raymond Sutton Ranch, who has the oldest production sale in the world. This filly is paid up in the Ranching Heritage.

Filly will be full sister to 5 earners! Including ANGEL BAR CHIC \$50,000+ winner in the roping arena. Full sister to the dams of lot #'s 23, 24, & 46. Truly believe these will be outstanding performers/earners in the performance arena. Full sisters are making outstanding broodmares as they have produced some amazing 1st foals. JODIES BAR CHIC was not only an earner/producer but he puts a great mind and heart in his foals.

He's by SHINE THAT FUEL TANK that we sold in 2018 and a daughter of POWDER RIVER PLAYBOY...just a versatile cowhorse pedigree. He's been trail ridden and has checked cattle on the ranch and is ready for a job. Absolutely nothing wrong with this horse, we just have some up and coming prospects that will require our time and this nice gelding will be wasting away as a pasture ornament if we keep him...so take advantage of this opportunity to own a nice gelding that is in his prime and will be a solid horse for years to come. Lots of size and muscle and this guy is super nice. He should mature at 15 hands and put that on that awesome pedigree of HIGH BROW CAT and PEPPY SAN BADGER, two of the greatest sires of all time and you've got quite the prospect right here. This colt is big and nice with great confirmation and bred to the 9s. Don't miss out on this guy, he is the real deal and will be worth the wait. Hang around and this may be the steal of the sale.
