OFBA

Ozark Foundation Breeders Association

2020 marks our 20th annual production sale and we are excited to be celebrating it with you, our customers! Our association was founded in 1999 by a group of family and friends with a passion for the American Quarter Horse. On this our 20th anniversary, we would like to thank our founding members, who laid the foundation with honesty, faith and a hopeful expectation for great success.

With that foundation, 19 years later the Ozark Foundation Breeders Association (OFBA) would be blessed with our biggest and best sale ever in 2019.....it's safe to say that the secret is out! So, with great expectation and your help, we expect our 2020 sale to be even bigger and better!

We have greatly grieved losing members throughout the years as they have passed: Ricky Walker (founding President), Steve Montgomery, & Charlie Cameron. Over the years there have been members come and go, but with many of the founding members still active and working hard with new dedicated members, we have diligently established the Ozark Foundation Breeders Association as the premier production sale in the Mid-West, with buyers coming from all over the United States to purchase quality performance bred quarter horses. We have assembled close to 120 of our best horses and are excited to be able to offer them for your consideration. We are confident that this is the best lineup of horses that we have ever offered in this sale's 20 year history and we are certain that even during this Covid-19 pandemic that this will be our greatest sale yet.

We want to thank each and every buyer that has ever attended any or all of our production sales. We have many return buyers year after year and we want to especially thank you for helping make our sale a success. Without you, our customers, we could not have made it this far. So, from all of us at OFBA, we want to say a big, "Thank you!" for making our sale a continued success. We are looking forward to many more years of being the premier production horse sale in the Midwest.

Here's to 20 more years!!!

What a super nice red roan stallion out of our absolute favorite mare, "IRISH". IRISH has a great handle and really rides around, she is an absolute sweetheart of a mare that is more human than horse. This guy is top notch, and oh by the way, take a look at that pedigree! Out of our son of the NCHA World Champion, BET HESA CAT (LET: \$267,465) by the #1 cutting horse sire of all time, HIGH BROW CAT, and one of the best daughters of PADDYS IRISH WHISKEY that there is. Tim has been riding this colt's 3 year old full brother on the ranch and he is 15 hands and is going to be one of our top ranch horses. Stallion prospect or toprnotch all around gelding right here. Don't miss this guy. Sale highlight!

We purchased HAPPY BOON at the Return to the Remuda sale at the 6666s several years ago. She was trained & was being used on the ranch at that time and we put her straight in our broodmare band. She is out of the HIGH BROW CAT son, BOON SAN (LTE: \$50,383), that was owned by the Wal-Mart heiress, Alice Walton, & sold at her dispersal sale a few years ago for \$500,000. This mare is cutting & cowhorse bred through & through, but she has a lot of leg that she passes on to her foals that we think will make them legit barrel horse prospects with the ability to turn those barrels & then the with the leg to burn it home. Of course with a pedigree like hers, you can raise any type of horse you would like. She is vet checked in foal to DUALIN ONCE, our red roan son of the AQHA World Champion and the hottest up & coming sire in the cutting & cowhorse industry today, ONCE IN A BLU BOON (LTE: \$318,002). Don't miss this rare opportunity to own a mare that was bred, raised & trained on one of the most legendary ranches in history, the 6666's.....& she wears the brands to prove it.

This filly is double bred HIGH BROW CAT so she has some of the best cutting and cowhorse breeding you will find, but she also has a ton of leg and is sure to be loaded with speed. Barrel racers, don't overlook this filly. Some of the hottest barrel horses today are cowhorse bred fillies with speed and with the leg that this gal has, we think she will be able to turn and burn! Super nice broodmare right here with all the breeding that you can handle. An own daughter of DULCES SMART LENA (LTE: \$176,006) and producer of over \$1.2 million and is out of none other than the great daughter of PEPPY SAN BADGER, LITTLE BADGER DULCE that earned an amazing LTE: \$668,461 and also produced the dam of the NCHA Horse of the Year, KIT KAT SUGAR. This mare is an excellent cross on HIGH BROW CAT stallions, but should cross well on whatever you want to breed her to. She is vet checked in foal to our red roan son of the NCHA World Champion, BET HESA CAT for a March 2021 foal.

This nine year old mare is a super dark bay and is just a tank of a mare. Short back, small head and a chest like Dolly and what a badonkadonk! Two years ago, she produced the top selling weanling and you can take a look at her 2020 red roan filly that also sells as Lot 90 and you can see why. She milks like a jersey cow and raises those bulldog babies that make ranch mares like her famous. She was broke to ride as a 2 year old, but has been a ranch broodmare ever since. She's vet checked in foal to SHONUFF BET HESA CAT for an early spring 2021 baby and just take a look at her weanling filly and see what kind of baby she is going to have for you. Good, young producing cow bred mares like this one are hard to find, but here is a cowhorse factory with a SHONUFF BET HESA CAT baby in the oven.

Her dam, SIX FEVER, is a 6666s branded mare and is one of the two biggest mares on our ranch and out of the NRCHA Supreme Reined Cowhorse, PLAYBOYS BUCK FEVER, by FRECKLES PLAYBOY. Cross this mare on our son of the NCHA World Champion, BET HESA CAT (LTE: \$267,465) by the #1 cutting horse sire of all time, HIGH BROW CAT and you've got the makings of one heck of a prospect in this nice filly. Buyers understandably want color on a prospect, but don't pass this one up because she is a bay. That color won't ride, but this filly is sure to be a riding machine. A really super nice filly by a son of the hottest cutting horse sire in the industry today, the \$33 million producer, METALLIC CAT (LTE: \$637,711) and a DOC'S OAK bred mare. HIGH BROW CAT, METALLIC CAT, DUAL PEP, DOCS OAK....a truly can't miss pedigree. This filly is pretty much perfect in every way. Put together perfectly.....carries her head low and just a picture of what a yearling filly should look like. Plus, she is an absolute sweetheart! In your hip pocket all the time....a people lover. If you can't get along with this filly, you have issues that we can't help you with. She has the pedigree, confirmation and temperament to be your next "go to" horse. She is gorgeous! Don't miss out on this one.

DUALIN ONCE (Dually) is a beautiful well balanced, athletic red roan stallion with a ton of chrome that was in cutting training and on track for the futurities before a freak injury derailed his show career. This awesome young stallion is by the hottest young stallion in the industry today, ONCE IN A BLU BOON. His pedigree is packed with cutting royalty from the top to the bottom and contains no HIGH BROW CAT, therefore making him an excellent cross on HIGH BROW CAT mares. He will also be a great cross on SMART LITTLE LENA and FRECKLES PLAYBOY mares as well. "DUALLY" was bred to a select group of mares in 2020 and we are excited to see his first foals hit the ground in the spring of 2021.
