OFBA

Ozark Foundation Breeders Association

The Ozark Foundation Breeders' Association would like to welcome you to our 21st annual production sale. The Ozark Foundation Breeders' Association (OFBA) was founded in 1999 by a group of family and friends with a passion for the American Quarter Horse. Since that time, breeders have come and gone, and today we are comprised of a tight knit group of twelve ranches that still carry on that passion of producing the finest top quality performance bred quarter horses possible. This hard work and dedication has established the Ozark Foundation Breeders' sale as the premier production horse sale in the Mid-West, with buyers coming from all over the United States.

2021 marks our 21st annual sale and this year's lineup is without a doubt the best that we have ever offered. Our member ranches have compiled over 100 head for your consideration, and they are all evidence of our goal of producing horses of quality and pedigree that exhibit nice dispositions, good conformation and athletic ability.

Whether you are searching for a horse for the show pen, rodeo arena, ranch or trail; take a look at our 2021 offerings. We are certain that you will find a performance quarter horse that you will be proud to own for years to come.

Chromed up red roan filly. She is small and had a rough start in life. Acquired this young filly as a yearling and she is finally getting over her start in life. Will make an excellent kid/small individual horse. She is currently being ridden daily by a 14 year old girl. Filly is cow bred, PEPTOBOONSMAL over a HIGH BROW CAT bred mare. 100% sound, just too small for me to keep for a broodmare. She will have 120 days on her by sale date.

2021 is our first colt crop out of YELLER DUSTER. We are liking what we see and are looking forward to seeing these colts ride. YELLER DUSTER has the best disposition you could ask for in a breeding stallion. We purchased him from Darren Roberts in Winfield, AL. YELLER was their main rodeo & jackpot team roping horse for years.
