Five different farm and ranch owners from the state of Louisiana would like to take this opportunity to recognize and thank Kenny McCullough, owner-manager of McCullough Farms from Salem, Arkansas.

Kenny has provided the opportunity for us to buy some outstanding "5 Star" horses over the span of the past 25 years. As we look back over the last 25 years, all five of us have purchased horses from all over the country, always looking to buy that hard to find "5 Star/Top Horse". Several of the horses that we purchased came from some of the largest ranching operations in the states of Texas and Oklahoma. These horses turned out to be really nice horses, but as we look back and fast forward to today, all five of us have a few things in common.

- 1) We have all been repeat customers of McCullough Farms, through the Ozark Breeder Foundation Sales, going as far back as 2005.
- 2) We have found Kenny McCullough to be a strong supporter for all consigners that participate in the annual OFBA sales. He is quick to point out the good horses, regardless of who the consigner is.

- 3) We all own several horses, and each of us has that, one horse that we label as, our "5 Star/Top Horse", that one horse that will never leave our place. Anyone care to guess what all 5 of these horses have in common? They all wear the McCullough Farms cowboy hat brand on their hip. We find the size and versatility of Kenny's horses make the best fit for real world, in the pasture, cattle penning horses for us.
- 4) We rank Kenny McCullough as our 5 Star, "Best of the Best" person to buy a horse from. His honesty and integrity before and after the sale is unmatched.
 Example: 15 years ago, I bought 3 weanlings from Kenny through the Ozark Breeder Foundation Sale. I drove 9 hours, got them home, and everything looked fine. The next day, I came home from work and found that one of the weanlings had laid out flat in the sun and managed to get her head stuck under a fence panel. The filly got overheated in the hot Louisiana sun and died. I called Kenny the next day to inform him of my bad luck. Kenny offered to send me my money back or I could come up and pick out another weanling. I challenge you to find anyone that would have made that same offer, knowing it was a perfectly healthy horse that had a freak accident.

New cross for us this year and we couldn't be happier with this filly. PEEKA COW SMARTS has been a proven producer for us for years. Every one of her colts have been able to really ride, with a good mind and a ton of athleticism that have went on to make great rope horses and we think this filly will have that same capability. She's compact and just has the look of a cutter, calf, heel, breakaway horse. Plus take a look at that pedigree! , ONCE IN A BLU BOON, AUTUMN BOON, DUAL PEP, PEPTOBOONSMAL, SMART MATE! It is all here with this proven producing mare. Also, no HIGH BROW CAT on this filly's pedigree, so she would be a great cross for all of those HBC stallions out there. Legendary Stakes eligible with heading and heeling opened up and AQHA Ranching Heritage eligible.

A new cross for us this year and we are really happy with the results on this red roan filly by Smokin Hottish, our great son of the late great, Hottish, who is the sire of over \$23 million in NCHA and NRCHA money earners. He is the sire of the NCHA Futurity Champions, Dual Reyish and Phil N Dangerous; NCHA Horse of the Year, Cool N Hot; NCHA Champions, Blackish and Hottish Metal; and the NRCHA World's Greatest Horseman Champion, Hott Rod.....making Smokin Hottish the paternal brother to the elite of the elite....and his dam, Our Special Kitten is a \$142,269 money earner as well. Cross this on our daughter of BOON TOO SUEN (LTE \$263,009) x a DUAL REY (\$105,038 #3 all-time sire) daughter and it is almost too good to be true! This filly's mother is a big stout mare and this gal should grow to a healthy 14.3-15 and be so athletic. She is a straight red roan with no chrome and we think she is gorgeous. As with all of our filly's, she will be broodmare material later down the road. Legendary Stakes eligible with heading and heeling opened up as well as AQHA Ranching Heritage eligible

WINNERS CHOOSE MAHAN QUARTER HORSES

Michael Cooper is a legendary member of the National Cutting Horse Association Hall of Fame. He is the cutting horse trainer with earnings over \$5.5 million and he got his start by coming to our ranch and purchasing Mr. Dry Jazz- who was bred, raised and started on cattle by Mike at Mahan Ranch. His two-year old colt was Cooper's first World Qualifying Horse. He quit his day job, built a barn and started training horses. His legacy started here -Mahan Quarter Horses. Mr. Dry is a full brother to Miss Dry Jazz the dam of our stallion Jezzys Little Pep.

Ascencion Banuelos is a world renowned champion cutting horse trainer with over \$2.3 million in earnings. He trains many horses and has his choice of horses to take to the NCHA Open Futurity World Championship. He chose our great stallion "Smart River Dancer" to take him all the way to the Finals. He also rode him to the Super Stakes Finals. That is quite an accomplishment that we take seriously so should you!

We will offer a limited few grandsons and granddaughters of the great "Smart Little Lena" with no outside breeding.

Take a look at that pedigree: PEPTOBOONSMAL, ONCE IN A BLU BOON, AUTUMN BOON DUAL PEP, PEPPY SAN BADGER, PADDYS IRISH WHISKEY, DOCS STARLIGHT, TANQUERY GIN..... legends and winners from top to bottom. We see this guy as a rope prospect that will have the size, speed and athleticism that should make a great one. Remember, he will be eligible to compete in all Legendary Stakes events and the heading and healing disciplines are opened up, so this guy is ready to go compete for significant cash, and as always, he is AQHA Ranching Heritage eligible as well. Don't miss this opportunity to own a nice rope prospect with the head horse size you are looking for and nominated to the incentives that will pay for him in no time.

She is a big 15 hand mare and always raises great babies with an abundance of bone and muscle. So this guy is going to have some size and will be super athletic with a cool dark bay roan color. Everyone is figuring out that daughters of Paddys Irish Whiskey cross so well on the cutting bred stallions and make great rope, ranch and using horses. What a prospect with this guy! We really like to bring some nice mares for others to purchase and enjoy as much as we have and here is one that we has been a part of our program for over eleven years, and if we have had one that long, then she has been a good producer for us and that could not be more the case with PEEKA COW SMARTS. She is a red roan tank of a mare that is easy to catch and be around and hey look at her outstanding pedigree: PEPTOBOONSMAL, PEPPY SAN BADGER, ROYAL BLUE BOON (one of the greatest mares of all time), SMART LITTLE LENA x 2, SMART MATE, DOC QUIXOTE...just wow! Then she is vet checked in foal to SMOKIN HOTTISH, our red roan son of the great HOTTISH for a 2027 foal. HOTTISH is the sire of over \$23 million in NCHA and NRCHA money earners. He is the sire of the NCHA Futurity Champions, Dual Reyish and Phil N Dangerous; NCHA Horse of the Year, Cool N Hot; NCHA Champions, Blackish and Hottish Metal; and the NRCHA World's Greatest Horseman Champion, Hott Rod.....making Smokin Hottish the paternal brother to the elite of the elite....and his dam, Our Special Kitten is a \$142,269 money earner in her own right. So not only are you going to be getting a great mare, you also have an amazing prospect cooking in the oven. Everything is right with this picture. Don't miss this really nice mare.

DUALIN ONCE (Dually) is a beautiful well balanced, athletic red roan stallion with a ton of chrome that was in cutting training and on track for the futurities before a freak injury derailed his show career. This awesome stallion is by the AQHA World Champion and one of the hottest stallions in the industry today, ONCE IN A BLU BOON, making him a paternal brother to some of the greats like, THE DARKK SIDE, ALL SPICE, BADBOONARISING and HERE COMES THE BOON. His pedigree is packed with cutting royalty and contains no HIGH BROW CAT, making him an excellent cross on HIGH BROW CAT, SMART LITTLE LENA and FRECKLES PLAYBOY mares. "DUALY" is stamping his colts with great muscle, bone structure, hips, chests and tons of athleticism.

SMOKIN HOTTISH has a pedigree that is unmatched in money earners, producers and champions. This horse had all the ability in the world to go on and make his mark in the NCHA, NRCHA, or Rope Horse Futurities, but for various reasons we were unable to get his show career kicked off. What we do know is that he stands at a healthy 14.3, is extremely athletic, rides great and has great bone and size. His first foal crop is on the ground in 2025 and we are extremely excited about the results and you can check them out for yourself in this year's sale. His foals are Legendary Stakes eligible with Heading and Heeling opened up and also AQHA Ranching Heritage eligible. The future is going to be bright for SMOKIN HOTTISH!!!!
